Answer B) To offer healthy meals to schoolchildren

The PM POSHAN Scheme provides nutritious meals to students in government and government-aided schools to improve health and school attendance.

Q7. What is the key focus of the National AYUSH Mission (NAM)?

Answer B) Establishing AYUSH health centers at PHCs and CHCs

NAM focuses on08:00 PM improving healthcare services by integrating AYUSH facilities with existing healthcare centers, providing patients a holistic approach to treatment.

Q8. What is the main function of Kavach, the advanced train protection system introduced by Indian Railways?

Answer C) To control train speeds and prevent accidents

Kavach is an Automatic Train Protection system designed to monitor and enforce train speed limits, preventing accidents and ensuring safety in rail operations.

Q9. What is the purpose of SEBI's plan to integrate the DigiLocker system in the securities market?

Answer C) To reduce instances of unclaimed assets in the market

SEBI plans to use the DigiLocker system to store and manage unclaimed assets, such as mutual fund folios and stocks left after an investor's death.

Q10. How does La Nina affect India's weather?

Answer C) It leads to above-normal rainfall, especially in northwest India

La Nina generally brings cooler-than-usual winters and increases rainfall, particularly in regions like northwest India, benefiting the agrarian economy.

QUIZ 6 OF 15

12 December 2024

9 questions · Misc GA 3 · Reports 1 · International 1 · Schemes 1

Q1

Which Article of the Indian Constitution deals with the impeachment of High Court judges?

A. Article 121
B. Article 218
C. Article 245
D. Article 356
E. Article 124

Q2

Which of the following proteins is deficient in individuals with Hemophilia A?

A. Factor V
B. Factor VII
C. Factor VIII
D. Factor IX
E. Factor X

Q3

Which United Nations agency released the Social Dialogue Report on workplace rights?

A. International Labour Organization (ILO)
B. United Nations Development Programme (UNDP)
C. World Trade Organization (WTO)
D. International Monetary Fund (IMF)
E. World Bank

Q4

Which country accounted for about half of all estimated malaria cases in the South-East Asia region in 2023?

A. Indonesia
B. Thailand
C. India
D. Bangladesh
E. Sri Lanka

Q5

In which Indian state is Chilika Lake, home to the Irrawaddy Dolphin, located?

A. Kerala
B. Odisha
C. West Bengal
D. Andhra Pradesh
E. Tamil Nadu

Q6

What is a significant feature of Google's AI model Gemini 2.0?

A. Only text-based capabilities
B. Limited to web search functions
C. Multilingual support for images and audio
D. Designed exclusively for data analysis
E. Limited to Google Assistant integration

Q7

What is the current GDP growth forecast for India in 2024 as predicted by the Asian Development Bank (ADB)?

A. 6.1%
B. 6.3%
C. 6.5%
D. 6.7%
E. 7.0%

Q8

Which of the following is a key feature of a Sustainability-Linked Bond (SLB)?

A. Tied to fixed interest rates only
B. Backed by government guarantees
C. Linked to environmental, social, or governance (ESG) targets
D. Issued exclusively by central banks
E. Convertible into equity shares

Q9

How does drone technology benefit pineapple cultivation?

A. Enhances seed germination
B. Reduces soil erosion
C. Increases fertilizer and pesticide application efficiency
D. Improves fruit packaging
E. Speeds up harvesting

ANSWERS — 12 DECEMBER 2024

Q1 B	**Q2** C	**Q3** A	**Q4** C	**Q5** B
Q6 C	**Q7** C	**Q8** C	**Q9** C	

Q1. Which Article of the Indian Constitution deals with the impeachment of High Court judges?

Answer B. Article 218

Article 218 of the Indian Constitution provides the procedure for removing High Court judges. It aligns with Articles 124(4) and 124(5), which define the process of impeachment for Supreme Court judges as well.

Q2. Which of the following proteins is deficient in individuals with Hemophilia A?

Answer C. Factor VIII

Hemophilia A is a genetic disorder caused by a deficiency of Factor VIII, a clotting protein. This results in excessive bleeding due to the inability of blood to clot properly. Hemophilia B, by contrast, involves Factor IX deficiency.

Q3. Which United Nations agency released the Social Dialogue Report on workplace rights?

Answer A. International Labour Organization (ILO)

The International Labour Organization (ILO) is a UN agency dedicated to promoting social and economic justice through workplace standards. Its Social Dialogue Report focuses on workplace rights, labor standards, and global employment trends.

Q4. Which country accounted for about half of all estimated malaria cases in the South-East Asia region in 2023?

Answer C. India

India has the largest population in the WHO South-East Asia region, making it highly prone to malaria outbreaks. In 2023, India accounted for about half of the malaria cases due to its tropical climate and high-risk zones in certain states.

Q5. In which Indian state is Chilika Lake, home to the Irrawaddy Dolphin, located?

Answer B. Odisha

Chilika Lake in Odisha is Asia's largest brackish water lagoon and a significant habitat for Irrawaddy dolphins. It is also a crucial nesting ground for Olive Ridley turtles, especially at Gahirmatha Beach along the Odisha coast.

Q6. What is a significant feature of Google's AI model Gemini 2.0?

Answer C. Multilingual support for images and audio

Google's Gemini 2.0 AI model supports advanced multimodal capabilities, enabling processing of text, images, and audio in multiple languages. It represents a breakthrough in artificial intelligence by enhancing understanding across diverse data types.

Q7. What is the current GDP growth forecast for India in 2024 as predicted by the Asian Development Bank (ADB)?

Answer C. 6.5%

Explanation: The Asian Development Bank (ADB) regularly publishes economic outlook reports, revising growth forecasts based on economic performance and projections. India's projected GDP growth rate for 2024 is set at 6.5% due to robust domestic demand and policy reforms.

Q8. Which of the following is a key feature of a Sustainability-Linked Bond (SLB)?

Answer C. Linked to environmental, social, or governance (ESG) targets

Explanation: Sustainability-Linked Bonds (SLBs) are financial instruments where the bond's terms, such as interest rates, are linked to the issuer's performance against pre-defined sustainability targets. This helps encourage sustainable corporate behavior.

Q9. How does drone technology benefit pineapple cultivation?

Answer C. Increases fertilizer and pesticide application efficiency

Explanation: Drones are increasingly used in modern agriculture for tasks like applying fertilizers, pesticides, and monitoring crop health. This improves precision farming, reduces waste, and increases overall efficiency in pineapple cultivation.

QUIZ 7 OF 15

13 December 2024

10 questions · International 2 · Economy 2 · Sports & Days 1 · Schemes 1

Q1

Who became the youngest world chess champion in 2024 by defeating Ding Liren?

A. Magnus Carlsen
B. Viswanathan Anand
C. D. Gukesh
D. Fabiano Caruana
E. Ian Nepomniachtchi

Q2

Which government bodies opposed the Union Cabinet's approval of simultaneous elections?

A. Maharashtra and Gujarat
B. Tamil Nadu and West Bengal
C. Kerala and Karnataka
D. Uttar Pradesh and Bihar
E. Rajasthan and Haryana

Q3

What is "Disease X" as defined by the WHO?

A. A newly discovered virus
B. A global initiative for public health
C. A hypothetical pandemic-causing pathogen
D. A disease linked to climate change
E. A worldwide vaccination drive

Q4

Which aircraft was recently approved for procurement by the Indian Air Force?

A. Rafale
B. Mirage 2000
C. Sukhoi-30MKI
D. Tejas Mark-2
E. F-16 Fighting Falcon

Q5

Which resolution did India support at the United Nations General Assembly regarding Gaza?

A. Humanitarian Aid Block
B. Arms Embargo
C. Ceasefire and Humanitarian Aid
D. International Tribunal Sanctions
E. Military Intervention

Q6

What is the purpose of the India-Middle East-Europe Corridor (IMEC)?

A. Promote military cooperation
B. Boost cultural exchange programs
C. Strengthen trade connectivity
D. Increase oil imports from the Middle East
E. Establish joint defense operations

Q7

What is the Reserve Bank of India's Sovereign Green Bond (SGrB) meant for?

A. Fund start-ups
B. Support public welfare projects
C. Finance environmental projects
D. Increase rural employment
E. Boost military defense

Q8

What factor contributed most to India's retail inflation easing in November 2024?

A. Increase in oil prices
B. Decrease in vegetable prices
C. Higher food grain production
D. Reduced electricity tariffs
E. Fuel subsidy reforms

Q9

What sector is expected to see a 7-9% growth according to CRISIL's report?

A. Pharmaceutical
B. Steel Manufacturing
C. Agrochemical
D. Automobile
E. IT Services

Q10

What recommendation did a parliamentary panel make regarding MGNREGA wages?

A. Reduce work hours
B. Raise wage rates
C. Expand eligible job categories
D. Provide annual bonuses
E. End the scheme

ANSWERS — 13 DECEMBER 2024

Q1 C	**Q2** B	**Q3** C	**Q4** C	**Q5** C
Q6 C	**Q7** C	**Q8** B	**Q9** C	**Q10** B

Q1. Who became the youngest world chess champion in 2024 by defeating Ding Liren?

Answer C. D. Gukesh </br>

D. Gukesh became the youngest world chess champion by defeating Ding Liren, surpassing Garry Kasparov's record. The championship took place from Nov 25 to Dec 13, 2024, in Singapore.

Q2. Which government bodies opposed the Union Cabinet's approval of simultaneous elections?

Answer B. Tamil Nadu and West Bengal </br>

The Union Cabinet approved constitutional amendments for simultaneous Lok Sabha and Assembly elections. Tamil Nadu and West Bengal strongly opposed this move, citing federal concerns.

Q3. What is "Disease X" as defined by the WHO?

Answer C. A hypothetical pandemic-causing pathogen </br>

The WHO defines "Disease X" as a potential pandemic caused by an unknown pathogen, highlighting the importance of pandemic preparedness.

Q4. Which aircraft was recently approved for procurement by the Indian Air Force?

Answer C. Sukhoi-30MKI </br>

The Indian government approved the procurement of 12 Sukhoi-30MKI fighter jets and 100 K-9 Vajra artillery guns, boosting India’s defense capabilities.

Q5. Which resolution did India support at the United Nations General Assembly regarding Gaza?

Answer C. Ceasefire and Humanitarian Aid </br>

India backed a UNGA resolution calling for a ceasefire in Gaza and humanitarian aid, despite opposition from Israel and the US.

Q6. What is the purpose of the India-Middle East-Europe Corridor (IMEC)?

Answer C. Strengthen trade connectivity </br>

The IMEC project, launched at the G20 summit, aims to boost trade connectivity between India, the Middle East, and Europe but has faced delays due to West Asian geopolitical tensions.

Q7. What is the Reserve Bank of India’s Sovereign Green Bond (SGrB) meant for?

Answer C. Finance environmental projects </br>

Sovereign Green Bonds are issued by the RBI to finance eco-friendly projects like renewable energy and climate change mitigation efforts.

Q8. What factor contributed most to India's retail inflation easing in November 2024?

Answer B. Decrease in vegetable prices </br>

India's retail inflation dropped to 9.04% in November 2024 due to reduced vegetable prices, despite oil and fat prices rising.

Q9. What sector is expected to see a 7-9% growth according to CRISIL's report?

Answer C. Agrochemical </br>

CRISIL's report predicts 7-9% growth in the agrochemical sector due to strong domestic demand and export recovery.

Q10. What recommendation did a parliamentary panel make regarding MGNREGA wages?

Answer B. Raise wage rates </br>

A parliamentary panel recommended increasing MGNREGA wages to match inflation, ensuring better income security for rural workers.

QUIZ 8 OF 15

15 & 16 December 2024

10 questions · Economy 3 · Sports & Days 2 · International 2 · Appointments 1

Q1

Who received the prestigious Indira Gandhi Peace Prize for 2024?

A. Angela Merkel
B. Bill Gates
C. Narendra Modi
D. Malala Yousafzai
E. Greta Thunberg

Q2

Which Indian chess player broke Garry Kasparov's record as the youngest world chess champion in 2024?

A. Praggnanandhaa
B. Nihal Sarin
C. D. Gukesh
D. Vidit Gujrathi
E. Arjun Erigaisi

Q3

What significant action did India take at the United Nations regarding the Gaza conflict?

A. Supported Israel
B. Supported Hamas
C. Called for a ceasefire and humanitarian aid
D. Proposed sanctions on Israel

Q6. What percentage of SME IPOs are now held by institutional investors in India in 2024?

Answer D. 50% </br>

Institutional investors now hold about 50% of SME IPO shares in India, reflecting growing investor confidence and participation.

Q7. Which index fell to 1.89% in November 2024 due to reduced food prices?

Answer D. Wholesale Price Index (WPI) </br>

The Wholesale Price Index (WPI) fell to 1.89% in November 2024 due to lower food prices, indicating reduced inflationary pressures.

Q8. What budget reduction did the Labour Ministry propose for the Employment Linked Incentive (ELI) Scheme for FY25?

Answer B. ₹6,852 crore </br>

The Labour Ministry proposed reducing the Employment Linked Incentive Scheme budget by ₹6,852 crore, impacting EPFO-registered employees' benefits.

Q9. The government is considering a minimum pension hike for which scheme?

Answer C. Employees' Pension Scheme (EPS) </br>

A parliamentary committee recommended raising the minimum pension of ₹1,000 provided under the Employees' Pension Scheme (EPS), benefiting the formal workforce.

Q10. India's green hydrogen strategy aims to overcome challenges related to which key factors?

Answer B. Technology and infrastructure </br>

India aims to become a global green hydrogen leader by overcoming challenges related to technological advancements and infrastructure development.

QUIZ 10 OF 15

18 December 2024

10 questions · Banking 5 · Agri & Rural 2 · Misc GA 1 · Economy 1

Q1

Which organization will now only conduct competitive entrance exams like JEE and NEET in India?

A. UGC
B. AICTE
C. NTA
D. CBSE
E. Ministry of Education

Q2

What is the primary reason for India's banking system liquidity deficit of ₹1.5 trillion?

A. Lower credit demand
B. High GST outflows
C. Strong foreign investment inflows
D. Increase in gold reserves
E. Decline in inflation rates

Q3

Why did SEBI ban FPIs from issuing P-Notes on derivatives?

A. To reduce inflation
B. To increase foreign investment
C. To enhance market transparency
D. To support startups
E. To curb foreign exchange reserves

Q4

What is the significance of AgriStack in India?

A. Reducing inflation
B. Encouraging rural tourism
C. Promoting digital agriculture
D. Increasing import-export balance
E. Providing free fertilizers

Q5

Which financial tool allows banks to raise funds through fixed-term deposits?

A. Treasury Bills
B. Certificates of Deposit
C. Bonds
D. Fixed Deposits
E. Commercial Papers

Q6

What triggered the decline of the Indian Rupee to an all-time low of ₹84.93 against the US dollar?

A. Decreased oil prices
B. Surplus trade balance
C. Increased US bond yields
D. Surge in forex reserves
E. Strengthened domestic market

Q7

What is the primary purpose of India's Conformity Assessment Scheme (i-CAS)?

A. To improve export regulations
B. To boost tourism
C. To ensure product quality in agriculture
D. To promote renewable energy
E. To reduce inflation

Q8

What action did the Parliamentary Committee recommend concerning MGNREGS wages?

A. Elimination of the scheme
B. Free health insurance for workers
C. Revision of wages due to inflation
D. Reducing working hours
E. Stopping agricultural support

Q9

Which initiative ensures safer investment options for banks and investors?

A. Bonds
B. Savings Accounts
C. Certificates of Deposit
D. Mutual Funds
E. Credit Cards

Q10

What does the National Testing Agency (NTA) focus on after ending its recruitment exam role?

A. University Grants Management
B. Teacher Eligibility Tests
C. Competitive Entrance Exams
D. International Student Exams
E. Technical Skill Assessments

ANSWERS — 18 DECEMBER 2024

Q1 C	**Q2** B	**Q3** C	**Q4** C	**Q5** B
Q6 C	**Q7** C	**Q8** C	**Q9** C	**Q10** C

Q1. Which organization will now only conduct competitive entrance exams like JEE and NEET in India?

Answer C. NTA

The National Testing Agency (NTA) will focus solely on conducting competitive entrance exams like JEE and NEET, ending its involvement in recruitment exams.

Q2. What is the primary reason for India's banking system liquidity deficit of ₹1.5 trillion?

Answer B. High GST outflows

India's banking system liquidity deficit is attributed to increased credit demand, GST outflows, festive season withdrawals, and slow deposit growth.

Q3. Why did SEBI ban FPIs from issuing P-Notes on derivatives?

Answer C. To enhance market transparency

SEBI prohibited Foreign Portfolio Investors (FPIs) from issuing P-Notes on derivatives to increase transparency and prevent misuse of capital inflows.

Q4. What is the significance of AgriStack in India?

Answer C. Promoting digital agriculture

AgriStack creates digital farmer IDs, enabling better delivery of farmer welfare schemes and promoting digital agriculture practices.

Q5. Which financial tool allows banks to raise funds through fixed-term deposits?

Answer B. Certificates of Deposit

Banks use Certificates of Deposit (CDs), a fixed-term deposit tool, to raise funds for specific durations at fixed interest rates.

Q6. What triggered the decline of the Indian Rupee to an all-time low of ₹84.93 against the US dollar?

Answer C. Increased US bond yields

The rupee's decline was due to a trade deficit, increased US bond yields, foreign equity outflows, and rising oil prices.

Q7. What is the primary purpose of India's Conformity Assessment Scheme (i-CAS)?

Answer C. To ensure product quality in agriculture

India launched the i-CAS scheme to maintain product quality, ensuring safer agricultural products in the domestic and export markets.

Q8. What action did the Parliamentary Committee recommend concerning MGNREGS wages?

Answer C. Revision of wages due to inflation

The committee recommended raising MGNREGS wages to reflect current inflation and ensure better financial stability for workers.

Q9. Which initiative ensures safer investment options for banks and investors?

Answer C. Certificates of Deposit

Certificates of Deposit are fixed-term deposits offering secure investment returns, helping banks manage funds efficiently.

Q10. What does the National Testing Agency (NTA) focus on after ending its recruitment exam role?

Answer C. Competitive Entrance Exams

NTA now focuses exclusively on conducting entrance exams like JEE and NEET, ensuring fair and transparent testing through advanced technology.

QUIZ 11 OF 15

19 December 2024

10 questions · Sci & Env 3 · Banking 3 · Reports 1 · International 1

Q1

Which country ranks 10th in the U.S. trade deficit rankings as of 2024?

A. China
B. Mexico
C. India
D. Canada
E. Brazil

Q2

What is the primary role of INS Nirdeshak in the Indian Navy?

A. Combat operations
B. Submarine defense
C. Hydrographic surveys
D. Missile launching
E. Coastal patrol

Q3

Which launch vehicle is being assembled for India's Gaganyaan mission?

A. PSLV-C53
B. GSLV Mk-II
C. HLVM3
D. GSLV Mk-III
E. RLV-TD

Q4

What is the minimum investment required in SEBI's new Specialized Investment Funds (SIFs)?

A. ₹5 lakh
B. ₹7 lakh
C. ₹8 lakh
D. ₹10 lakh
E. ₹12 lakh

Q5

Which country has adopted a bill limiting asylum rights due to migrant concerns from Belarus?

A. France
B. Poland
C. Germany
D. Ukraine
E. Hungary

Q6

What is the primary use of rock phosphate in agriculture?

A. Pest control
B. Fertilizer production
C. Soil erosion prevention
D. Crop protection
E. Greenhouse management

Q7

What percentage of GST is proposed for term life insurance under the new recommendation?

A. 18%
B. 15%
C. 12%
D. 10%
E. 5%

Q8

What is the scientific name of the Ganges River Dolphin?

A. Delphinus delphis
B. Platanista gangetica gangetica
C. Orcaella brevirostris
D. Tursiops truncatus
E. Sousa chinensis

Which financial instrument allows currency trading without actual delivery and is settled in U.S. dollars?

A. Forward Contract
B. Currency Swap
C. Non-Deliverable Forward (NDF)
D. Forex Option
E. Dollar Bond

Q10

Which major river hosts the endangered Ganges River Dolphin?

A. Yamuna
B. Brahmaputra
C. Ganga
D. Godavari
E. Krishna

ANSWERS — 19 DECEMBER 2024

Q1 C	**Q2** C	**Q3** C	**Q4** D	**Q5** B
Q6 B	**Q7** E	**Q8** B	**Q9** C	**Q10** C

Q1. Which country ranks 10th in the U.S. trade deficit rankings as of 2024?

Answer C. India

India ranked 10th in the U.S. trade deficit rankings due to increased electronics exports, with a deficit of $38 billion in 2024.

Q2. What is the primary role of INS Nirdeshak in the Indian Navy?

Answer C. Hydrographic surveys

INS Nirdeshak is a survey vessel that conducts hydrographic surveys to assist in maritime navigation and data collection.

Q3. Which launch vehicle is being assembled for India's Gaganyaan mission?

Answer C. HLVM3

ISRO is assembling the Human Rated Launch Vehicle Mark-3 (HLVM3) for the Gaganyaan mission, India's first human spaceflight.

Q4. What is the minimum investment required in SEBI's new Specialized Investment Funds (SIFs)?

Answer D. ₹10 lakh

SEBI's Specialized Investment Funds require a minimum investment of ₹10 lakh, targeting high-net-worth investors.

Q5. Which country has adopted a bill limiting asylum rights due to migrant concerns from Belarus?

Answer B. Poland

Poland adopted a bill limiting asylum rights to prevent an influx of migrants entering from Belarus.

Q6. What is the primary use of rock phosphate in agriculture?

Answer B. Fertilizer production

Rock phosphate is a key raw material used in the production of phosphate-based fertilizers, essential for agricultural productivity.

Q7. What percentage of GST is proposed for term life insurance under the new recommendation?

Answer E. 5%

A Group of Ministers recommended reducing GST on term life insurance from 18% to 5% to encourage wider insurance coverage.

Q8. What is the scientific name of the Ganges River Dolphin?

Answer B. Platanista gangetica gangetica

The Ganges River Dolphin, classified as endangered by the IUCN, has the scientific name Platanista gangetica gangetica.

Q9. Which financial instrument allows currency trading without actual delivery and is settled in U.S. dollars?

Answer C. Non-Deliverable Forward (NDF)

NDFs are contracts for currency trading without physical delivery, settled in U.S. dollars at contract maturity.

Q10. Which major river hosts the endangered Ganges River Dolphin?

Answer C. Ganga

The Ganges River Dolphin inhabits the Ganga, Brahmaputra, and their tributaries, facing threats from pollution and habitat loss.

QUIZ 12 OF 15

20 December 2024

10 questions · International 3 · Sci & Env 3 · Economy 1 · Schemes 1

Q1

Which organ of the UN adopted the text of the proposed Crimes Against Humanity (CAH) treaty on December 4, 2024?

A. UN Security Council
B. International Court of Justice
C. UN General Assembly
D. UN Economic and Social Council
E. UN Human Rights Council

Q2

What is the primary function of the Vikram Sarabhai Space Centre (VSSC)?

A. Satellite communication
B. Developing nuclear energy
C. Research in space vehicles and rockets
D. Training astronauts
E. Manufacturing space stations

Q3

What is the purpose of the Viability Gap Funding (VGF) scheme in India?

A. To fund agricultural loans for farmers
B. To support infrastructure projects that are economically desirable but not commercially viable
C. To provide educational scholarships for students
D. To finance renewable energy initiatives
E. To promote foreign direct investment

Q4

What does the PM Vidyalaxmi scheme aim to provide?

A. Scholarships for international studies
B. Loans for small businesses
C. Financial support for meritorious students pursuing higher education
D. Start-up grants for entrepreneurs
E. Government-sponsored internships

Q5

What is the IUCN status of the Spot-Billed Pelican (Pelecanus philippensis)?

A. Endangered
B. Critically Endangered
C. Near-Threatened
D. Vulnerable
E. Least Concern

Q6

Which of the following agricultural commodities has been banned from derivative trading in India until January 31, 2025?

A. Wheat
B. Soyabean
C. Crude palm oil
D. Non-basmati paddy
E. All of the above

Q7

What is the primary objective of the National Green Tribunal's actions concerning India's forest cover loss?

A. To introduce new agricultural policies
B. To regulate water usage
C. To prevent deforestation due to development projects
D. To promote urbanization
E. To encourage reforestation programs

Q8

What is the focus of the report by the World Economic Forum (WEF) on gender-inclusive agritech?

A. Promoting large-scale agricultural machinery
B. Gender-specific agritech innovation
C. Providing subsidies to female farmers
D. Addressing gender disparities in farming through technology
E. Eliminating traditional farming practices

Q9

Which state in India has launched a new comprehensive water policy to address emerging water risks like groundwater depletion and river pollution?

A. Maharashtra
B. Punjab
C. Uttar Pradesh
D. Andhra Pradesh
E. Tamil Nadu

Q10

What is the strategic significance of green ammonia production for India, as emphasized by NTPC Ltd.?

A. It is a cheaper alternative to fossil fuels
B. It is used to replace coal in power plants
C. It contributes to the creation of renewable energy sources
D. It plays a key role in the country's fuel and energy transition
E. It is part of India's strategy to increase oil exports

ANSWERS — 20 DECEMBER 2024

Q1 C	**Q2** C	**Q3** B	**Q4** C	**Q5** C
Q6 E	**Q7** C	**Q8** D	**Q9** D	**Q10** D

Q1. Which organ of the UN adopted the text of the proposed Crimes Against Humanity (CAH) treaty on December 4, 2024?

Answer C) UN General Assembly

The UN General Assembly adopted the text of the proposed Crimes Against Humanity (CAH) treaty on December 4, 2024. The adoption marks a significant step toward establishing a universal legal framework for prosecuting crimes against humanity.

Q2. What is the primary function of the Vikram Sarabhai Space Centre (VSSC)?

Answer C) Research in space vehicles and rockets

The Vikram Sarabhai Space Centre (VSSC) is primarily focused on research and development in space vehicles and rockets. It is a key facility of the Indian Space Research Organisation (ISRO) in India.

Q3. What is the purpose of the Viability Gap Funding (VGF) scheme in India?

Answer B) To support infrastructure projects that are economically desirable but not commercially viable.

The Viability Gap Funding (VGF) scheme aims to bridge the financial gap for infrastructure projects that are essential but not commercially viable, ensuring their successful implementation.

Q4. What does the PM Vidyalaxmi scheme aim to provide?

Answer C) Financial support for meritorious students pursuing higher education.

The PM Vidyalaxmi scheme provides financial assistance to meritorious students pursuing higher education. It helps students secure loans for their studies through various banks.

Q5. What is the IUCN status of the Spot-Billed Pelican (Pelecanus philippensis)?

Answer C) Near-Threatened.

The Spot-Billed Pelican (Pelecanus philippensis) is classified as Near-Threatened by the International Union for Conservation of Nature (IUCN), meaning it faces potential threats to its habitat and population but is not currently in immediate danger.

Q6. Which of the following agricultural commodities has been banned from derivative trading in India until January 31, 2025?

Answer E) All of the above

The Indian government has extended its ban on derivative trading for seven agricultural commodities, including wheat, soyabean, crude palm oil, non-basmati paddy, and more, until January 31, 2025. This move affects multiple agricultural markets in India.

Q7. What is the primary objective of the National Green Tribunal's actions concerning India's forest cover loss?

Answer C) To prevent deforestation due to development projects.

The National Green Tribunal has focused on preventing deforestation caused by development projects and other activities. It attributes the significant loss of forest cover in India to the lack of adequate safeguards in development policies.

Q8. What is the focus of the report by the World Economic Forum (WEF) on gender-inclusive agritech?

Answer D) Addressing gender disparities in farming through technology.

The World Economic Forum's report highlights the challenges faced by women farmers and recommends using gender-inclusive agritech solutions to address these disparities, ensuring that women have access to the same resources and opportunities as men in agriculture.

Q9. Which state in India has launched a new comprehensive water policy to address emerging water risks like groundwater depletion and river pollution?

Answer D) Andhra Pradesh

Andhra Pradesh's Chief Minister has called for the development of a comprehensive water policy, focusing on tackling critical issues like groundwater depletion, river pollution, and improving water governance. The policy aims to ensure sustainable water management in the state.

Q10. What is the strategic significance of green ammonia production for India, as emphasized by NTPC Ltd.?

Answer D) It plays a key role in the country's fuel and energy transition.

Green ammonia is considered a key component of India's transition to renewable energy. NTPC Ltd. has been involved in initiatives to produce green ammonia, which is produced using renewable energy sources. This supports India's goal to reduce its reliance on fossil fuels.

QUIZ 13 OF 15

21 December 2024

5 questions · Agri & Rural 2 · Banking 1 · Misc GA 1 · Sci & Env 1

Q1

What is the projected market size of India's Global Capability Centres (GCCs) by 2030?

A. $50 billion
B. $75 billion
C. $100 billion
D. $125 billion
E. $150 billion

Q2

What is the MSP set for ball copra for the year 2025?

A. ₹11,000 per quintal
B. ₹11,800 per quintal
C. ₹12,000 per quintal
D. ₹12,100 per quintal
E. ₹13,000 per quintal

Q3

Which of the following locations is NOT a key strategic hub for GCCs in India?

A. Bangalore
B. Hyderabad
C. Gurugram
D. Kolkata
E. Pune

Q4

What is the unique feature of shade-grown coffee in India?

A. It is grown with artificial fertilizers.
B. It requires intensive irrigation.
C. It grows under a tree canopy, supporting biodiversity.
D. It uses genetically modified seeds.
E. It is exclusive to South American regions.

Q5

According to FSSAI's new mandate, what data must be submitted quarterly by food businesses?

A. Revenue data
B. Employee details
C. Rejected and expired food products data
D. Monthly sales data
E. Customer feedback reports

ANSWERS — 21 DECEMBER 2024

Q1 C	**Q2** D	**Q3** D	**Q4** C	**Q5** C

Q1. What is the projected market size of India's Global Capability Centres (GCCs) by 2030?

Answer C) $100 billion

According to recent reports, India's GCCs are projected to become a $100 billion industry by 2030, employing over 2.5 million professionals. This growth is driven by India's talent pool, cost competitiveness, and adaptability in the business environment.

Q2. What is the MSP set for ball copra for the year 2025?

Answer D) ₹12,100 per quintal

The Minimum Support Price (MSP) for ball copra has been increased to ₹12,100 per quintal for the year 2025, marking a slight increase from ₹12,000 in 2024. This helps provide financial security to farmers.

Q3. Which of the following locations is NOT a key strategic hub for GCCs in India?

Answer D) Kolkata

Key strategic locations for GCCs in India include Bangalore, Hyderabad, Gurugram, Chennai, and Pune. Kolkata is not a significant hub for GCC activities as highlighted in the data.

Q4. What is the unique feature of shade-grown coffee in India?

Answer C) It grows under a tree canopy, supporting biodiversity.

Shade-grown coffee is cultivated under a tree canopy, sustaining biodiversity and enabling the growth of indigenous plants. India is the only country that grows all its coffee under shade.

Q5. According to FSSAI's new mandate, what data must be submitted quarterly by food businesses?

Answer C) Rejected and expired food products data

The Food Safety and Standards Authority of India (FSSAI) has mandated quarterly submissions of data regarding rejected and expired food items, including details of disposal methods, to ensure quality control.

QUIZ 14 OF 15

27 December 2024

4 questions · Misc GA 1 · Reports 1 · Economy 1 · Sci & Env 1

Q1

What percentage of Lok Sabha seats had no women candidates in the 2024 elections?

A. 15%
B. 20%
C. 25%
D. 28%
E. 30%

Q2

How many votes were not counted or rejected during the 2024 Lok Sabha elections?

A. 5.23 lakh
B. 8.45 lakh
C. 10.58 lakh
D. 12.67 lakh
E. 15.34 lakh

Q3

Which prominent figure in Indian politics passed away at the age of 92 in 2024?

A. Atal Bihari Vajpayee
B. Manmohan Singh
C. P. V. Narasimha Rao

E. H.
D. Deve Gowda

Q4

Where will the 26th edition of the IIT-Madras tech fest "Shaastra" be held?

A. Bengaluru
B. Chennai
C. Mumbai
D. Hyderabad
E. New Delhi

ANSWERS — 27 DECEMBER 2024

Q1 D	**Q2** C	**Q3** B	**Q4** B

Q1. What percentage of Lok Sabha seats had no women candidates in the 2024 elections?

Answer D) 28%

The Election Commission of India reported that 28% of the seats in the 2024 Lok Sabha elections did not have any women candidates, highlighting the gender disparity in Indian politics.

Q2. How many votes were not counted or rejected during the 2024 Lok Sabha elections?

Answer C) 10.58 lakh

According to the Election Commission's statistical report, over 10.58 lakh votes were either not counted or rejected during the 2024 Lok Sabha elections, raising concerns about vote validity and inclusivity.

Q3. Which prominent figure in Indian politics passed away at the age of 92 in 2024?

Answer B) Manmohan Singh

Former Prime Minister Manmohan Singh, known for his pivotal role in India's economic liberalization, passed away at the age of 92 in 2024. He served as PM for two terms (2004–2014) and was the Finance Minister under P.V. Narasimha Rao.

Q4. Where will the 26th edition of the IIT-Madras tech fest "Shaastra" be held?

Answer B) Chennai

The 26th edition of Shaastra, hosted by the Indian Institute of Technology-Madras, is scheduled to take place in Chennai from January 3 to 7, 2025. It is one of the premier tech festivals in India.

QUIZ 15 OF 15

29 & 30 December 2024

6 questions · Sci & Env 3 · Schemes 2 · Misc GA 1

Q1

What strategic waterway is Donald Trump reportedly planning to take control of?

A. Suez Canal
B. Panama Canal
C. Kiel Canal
D. Strait of Hormuz
E. Malacca Strait

Q2

What caused the oil floods in the Black Sea as reported in December 2024?

A. Earthquake
B. Volcanic eruption
C. Collision of two tankers
D. Industrial spill
E. Heavy rainfall

Q3

What is the primary purpose of India's commissioning of INS Vagsheer (S-26) and INS Tushil?

A. To enhance coastal tourism
B. To boost blue-water combat capabilities
C. For scientific research
D. To assist in humanitarian missions
E. For commercial shipping

Q4

What initiative aims to make Lothal a global hub for maritime heritage?

A. Swadesh Darshan Scheme
B. National Maritime Heritage Complex Museum
C. Pradhan Mantri Matsya Sampada Yojana
D. Jan Swasthya Abhiyan
E. Bharatiya Beej Sahkari Samiti Limited

Q5

What is the main objective of the Jan Swasthya Abhiyan (JSA) in India?

A. To promote digital payments
B. To regulate hospital fees and protect patient rights
C. To enhance agricultural productivity
D. To develop infrastructure in rural areas
E. To support microfinance institutions

Q6

What impact did the relocation of tigers from Ranthambore National Park have on the tiger population?

A. Increased genetic diversity
B. Improved sex ratio
C. Disrupted sex ratio leading to territorial conflicts
D. Enhanced breeding programs
E. Reduced overall tiger numbers

ANSWERS — 29 & 30 DECEMBER 2024

Q1 B	**Q2** C	**Q3** B	**Q4** B	**Q5** B
Q6 C				

Q1. What strategic waterway is Donald Trump reportedly planning to take control of?

Answer B) Panama Canal

Donald Trump is reportedly planning to annex Canada and Greenland and take control of the Panama Canal, a strategic waterway connecting the Pacific and Atlantic Oceans. This move is motivated by increased shipping rates and concerns over Chinese influence in the region. The U.S. currently benefits significantly from the canal, owning 74% of its traffic.

Q2. What caused the oil floods in the Black Sea as reported in December 2024?

Answer C) Collision of two tankers

The oil floods in the Black Sea were caused by a collision between two tankers near Crimea in the Kerch Strait on December 15. This incident led to significant environmental damage, including the destruction of coral reefs and loss of marine biodiversity. The Black Sea is bordered by Bulgaria, Georgia, Romania, Russia, Turkey, and Ukraine, and is a critical marine ecosystem.

Q3. What is the primary purpose of India's commissioning of INS Vagsheer (S-26) and INS Tushil?

Answer B) To boost blue-water combat capabilities

The commissioning of INS Vagsheer (S-26), a diesel-electric submarine, and INS Tushil, a Russian-built frigate, by the Indian Navy is aimed at enhancing India's blue-water combat capabilities. This move is intended to counter China's expanding influence in the Indian Ocean Region and strengthen India's naval presence in distant seas.

Q4. What initiative aims to make Lothal a global hub for maritime heritage?

Answer B) National Maritime Heritage Complex Museum

The National Maritime Heritage Complex Museum is under construction in Lothal and is set to make the city a global hub for maritime heritage. With an investment of over ₹4,000 crore, the complex will feature 14 galleries, a lighthouse museum, coastal state pavilions, a recreated Lothal city, theme-based parks, an amusement park, and a nature conservation park. Phase 1A of the project is approximately 60% completed.

Q5. What is the main objective of the Jan Swasthya Abhiyan (JSA) in India?

Answer B) To regulate hospital fees and protect patient rights

Jan Swasthya Abhiyan (JSA) is an alliance of health activists and professionals in India that seeks to intervene in petitions against the regulation of hospital charges. The group aims to protect patients' rights by controlling the costs of private hospitals, advocating for better care standards, and preventing patient rights violations in the healthcare sector.

Q6. What impact did the relocation of tigers from Ranthambore National Park have on the tiger population?

Answer C) Disrupted sex ratio leading to territorial conflicts

The relocation of five male and eleven female tigers from Ranthambore National Park (RNP) to other reserves disrupted the existing sex ratio of 1:2 or 1:3 (males to females). This imbalance has led to increased territorial conflicts and the deaths of young male tigers, negatively affecting the stability of the tiger population in RNP.
